

IMPORTANT

Before using your Warm White Cluster Plug-In String Lights, please make sure that you carefully read through these instruction sheets.

NOTE: The important safeguards and instructions that appear in this manual are not meant to cover all possible conditions and situations that may occur. It must be understood that common sense, caution and care are factors that can't be built into any product. This approach must be used by the person(s) caring for and operating the string lights.

GENERAL INFORMATION

The string lights are suitable for indoor and covered outdoor use. DO NOT attempt to replace or repair any damaged cable parts. After use, ensure the string light set is clean and dry before storage.

DO NOT DISPOSE OF IN FIRE. Please dispose at your local recycling facility.

DO NOT submerge any part of the string lights in water.

STEP BY STEP INSTRUCTIONS

Before using your string lights, remove the packaging. When setting up the string lights, carefully position cables to avoid a tripping hazard, and when hanging lights use a stable method of support.
