**2****SWITCH OPTIONS**

The on/off switch is located at the back of the advent calendar. Switching to the "ON" position will automatically set the timer and the lights will remain on for 6 hours. They will turn on and off at the same time each day once set, until the batteries need to be replaced or until the switch is moved to the "OFF" position. To maximize battery life, manually turn off the calendar at the switch during long periods of non-use.

**3****DRAWER USAGE**

Use the finger slots to open & close the drawers. Please note the drawers are not attached and can easily be removed to insert gift.
